

Type FWB24 Wheelie Bin Lifter/Tipper

The type FWB24 Wheelie Bin Lifter/Tipper has been designed to safely lift and empty one or two standard 240 litre plastic bins. Emptying is carried out using a Forklift with a sideways Rotator attached.

The Bin is secured inside the support rails with a Bin Securing Chain preventing unintentional disengagement of a Wheelie Bin/s from the attachment during transport or rotation.

The Standard finish on the Wheelie Bin Lifter/Tipper is enamel painted over primed steel, Colour: Mandarin X14
