

Type WP-OP Order Picking Cage

The type WP-OP Order Picking Cage is tailor made to suit individual Forklifts and applications. Designs vary from a standard cage to include parcel tray (shown), head protection guards, wheels, swinging and sliding access gates.

*** Manufactured strictly in accordance with Australian Standard AS 2359.1, the type WP-OP Order Picking Cage must only be lifted by a dedicated 'Order Picking Forklift'. The load capacity of the Forklift will restrict the actual load capacity of the Order Picking Cage.

(Standard Cage with Parcel Tray shown)
